ORDER:

In the reference third read above, the Director of Animal Husbandry has informed that Government in the reference first read above has sanctioned a special scheme under Plan called Chief Minister's Special Package with a budget outlay of Rs.303 crores to ameliorate the sufferings of the farmers during the year 2007-08. The objective of the scheme is to create livelihood opportunities to the BPL families in Animal Husbandry sector. The District Joint Directors with the cooperation of District Collectors, bankers and other officials connected with the programme could only achieve 50% of the targets, as the Department was handling such mammoth programme for the first time and it took some time in stabilizing the parameters such as finalization of tenders for purchase of animals from outside the State, finalization of destination points for down loading of milch animals transported through trains and finalization of display points for distribution of milch animals to the villages etc. He has also informed that the modus operandi of the schemes involves extensive touring of the District for selection of villages / beneficiaries, coordinating with bankers for documentation of the sanctions, creation of awareness among farmers on good management practices, making arrangements for induction of animals from outside the State, creation of forward and backward linkages for effective implementation of the scheme and dissemination of data to the higher authorities. The Joint Directors (AH) in the Districts are involved in multifarious activities such as taking steps for preventive and curative health care of livestock in the District, fodder development, drought and flood management coordinating with other District officials of line Departments, attending to special tasks assigned by the District Collectors besides attending to the technical and administrative functions related to the Department in the District. The Director of Animal Husbandry has further informed that after making the critical analysis on the performance of the Districts in the implementation of the above programmes during 2007-08, it is observed that the performance was exemplary in the Districts where the Deputy Directors Animal Husbandry (LPP) were made totally responsible for the programme. Further, the officers implementing the programmes in the Districts have expressed much difficulty in disseminating the information to higher authorities due to lack of personnel having experience in data entry operations. All the District Joint Directors have requested for the post of Data Entry Operators one each for the Districts at least on out-sourcing basis. The Directorate of Animal Husbandry has also faced much difficulty in obtaining the information on the progress of the schemes and also in giving quick feed back to the Government due to lack of suitable officer in the cadre of Joint Director and Data Entry Operators wholly designated for this purpose.

2. In order to implement the programmes in an effective manner in the Districts and to monitor the programme at State level, the Director of Animal Husbandry has requested for creation of one post of Joint Director (LPP) at the Directorate and 7 (seven) posts of Deputy Directors, Animal husbandry (LPP) in the Districts and also permission to appoint 22 Data Entry Operators one for each District and 2 Data Entry Operators at the Directorate level on outsourcing basis. He has also reported that an amount of Rs.47,39,244/- would be required for creation/sanction of the said posts, which can be met from the savings available under Plan Schemes of the Department and no additional funds are required.

P.T.O.

3. After detailed examination of the matter, Government hereby accord permission to the Director of Animal Husbandry to appoint 24 Data Entry Operators on outsourcing basis (2 for the Office of the Director of Animal Husbandry and the remaining 22 for the Districts) for a period of one year initially @ Rs.5,500/- per month each by meeting the expenditure from the relevant head of account.
4. The Director of Animal Husbandry shall take further necessary action by following the guidelines issued on outsourcing issued in the reference second read above.
5. This order issues with the concurrence of the Finance (SMPC) Department vide their U.O.No.27384/927/A2/SMPC/2008, dated 4.12.2008.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

Dr. PRIYADARSHI DASH,
Special Chief Secretary to Government.
